Campus Success

Located in Orange County, UCI is a globally preeminent research university and is a driving force for innovation and discovery. Consistently ranked among the nation's best universities, UCI excels in a broad range of fields, garnering national recognition for its schools, departments and programs. Three UCI researchers have won Nobel Prizes and three UCI graduates have won Pulitzer Prizes. The Anteater athletic department has won 28 national championships, including four in men's volleyball (2007, 2009, 2012, 2013).

Game On

First public university to have an eSports program and ranked the No. 1 school for gamers in 2015 by College Magazine

Heading to Omaha

The Anteater's baseball team has advanced to the College World Series twice in recent years, in 2007 and 2014.

Top of the Crop

Ranked No. 1 university "Doing the Most for the American Dream" by The New York Times College Access Index
